This forum is the perfect venue for industry professionals to become acquainted with MResult's new Aggregate Spend solution. This solution focuses on addressing the challenges of the Patient Protection and Affordable Care Act's (PPACA) Physician Payments Sunshine Provisions by ensuring accurate spend reporting and producing reports which meet all State and Federal requirements. The Tracking State Laws and Aggregate Spend Forum is a great opportunity for industry professionals to become acquainted with MResult's new solution.

MResult has expertise working with some of the largest pharmaceutical and biotechnology companies in the industry with substantial experience in corporate legal departments and knowledge in the compliance and regulatory environment.

MResult's strong background in business intelligence, data warehousing, and report delivery has prepared them for engagements addressing the challenges of the Physician Payment Sunshine Provisions by developing their Aggregate Spend Solution.

### **About MResult Corporation**

MResult Corporation was incorporated in 2002 and is headquartered in New London, CT.
