MResult Corporation makes the Inc. 5000 list of fastest growing U.S. Companies for 2nd consecutive year.

New London, CT - November 15, 2010

New London-based Business Intelligence and Technology Staffing firm MResult Corporation has received recognition on the 2010 Inc. 5000 list of fastest growing U.S. companies. The company ranked #433 in the IT Services industry and #3529 overall with 3-year revenue growth of 49%. MResult also received recognition on the Inc. 5000 list in 2009.

“We are very happy to be recognized once again on the Inc. 5000 list,” said CEO Archana Naik. “While this has obviously been a challenging time for the industry and the economy as a whole, we’ve remained focused on providing our clients with the best value and service we can deliver. We see our inclusion on the Inc. 5000 list for the second consecutive year as a validation of that approach.”

About MResult Corporation

MResult Corporation was incorporated in 2002 and is headquartered in New London, CT. The firm provides best practice solutions in software development, business analysis, quality assurance and offers a full range of business intelligence solutions, portal development services and customized applications. Clients include Fortune 500 companies and internationally renowned high-growth companies.

MResult’s mission is to help organizations plan, build, and manage solutions designed around their missions, goals, and people rather than particular technologies with the understanding that every organization’s needs, staffing capability, technical environment, and business goals, are different.
